

MOJO

Tom Russell

Folk Hotel

FRONTERA. CD/DL

How do you follow an epic double album like 2015's *The Rose Of Roscræ*? You just carry on doing what you do best. As ruggedly romantic as ever, Russell reverts to his inner outlaw, paying homage to Dylan Thomas, Hank Williams and Jack Kennedy, evoking the spirit of the maverick traveller recounting road stories from Belfast to El Paso, plus a Joe Ely duet. The man is a treasure.
